Dilute into spray bottle using the Auto-Chlor Control System.

FULL PRODUCT DESCRIPTION

GK-6 All-Purpose Cleaner is an environmentally responsible ultra concentrated formulation for cleaning hard surfaces without leaving streaks or haze. Used as a spray and wipe cleaner, it dissolves grease, grime, and other residue, leaving surfaces sparkling clean. GK-6 All-Purpose Cleaner is an effective daily cleaner and can be used on most surfaces including chrome, vinyl, countertops, stainless steel, ceramic quarry tile, and porcelain. GK-6 All-Purpose Cleaner is certified by the U.S. Environmental Agency, Safer Choice program to meet their environmental impact standards.
